

2-DF - Two Door Reach in Freezer

Features:

- Digital display temperature with programmable thermostat and defrost
- Bottom mount compressor for superior performance
- Lighted interior
- Vapor sealing doors
- Keyed lockable doors
- Lighted interior
- All high quality stainless exterior construction
- All high quality stainless interior
- Oversized forced air refrigeration system for even cooling
- Oversized CFC free R-134A refrigeration system very efficient evaporators and condensers
- Complete foamed in place high density insulation for more efficient cooling
- Self-closing doors
- Epoxy coated shelves
- Magnetic door gaskets
- Easily over on 4 swivel casters

2-DF

Product Specification

Model	2-DF		
Exterior Dimensions (inch)	54.4*31.5*82.2		
Interior Dimensions (inch)	49.7*25.2*60		
Packing Dimensions (inch)	56.1*33.1*85		
Shelf Dimensions (inch)	20.9*24.4		
Shelf QTY (pcs)	6		
Loading capacity per shelf (lbs/pcs)	88		
Capacity (Cu. Ft)	49	Defrost Method	Air Defrost
Net Weight (lbs)	408	Defrost Power (W)	0
Gross Weight (lbs)	430	Climate types	5
Voltage (V/Hz/Ph)	115/60/1	Refrigerant Amonut (oz)	13.4
Power (W)	590	Refrigerant	R-134a
Power consumption (kw/24h)	2.3	Cooling Method	Ventilated
